SPUR STEAK RANCHES BRAND OVERVIEW

Spur Steak Ranches: Expanding Our Flavourful Legacy

Since launching our signature sauces into the grocery retail market in 2001, Spur Steak Ranches has been committed to bringing the beloved flavours of our restaurants into homes across the nation. Our initial strategy focused on establishing a retail presence with four well-known Spur sauces: Salad & French Fry Dressing (Pink Sauce), BBQ Sauce, Grill Basting, and Seasoning Salt. These products quickly became household favourites, laying a strong foundation for our retail journey.

By 2020, our retail range had impressively expanded to 25 SKUs across five retail categories, achieving an annual sales turnover of over R130 million. This remarkable growth was driven by our dedication to quality and the trust our customers place in the Spur brand. To meet increasing demand and ensure consistent quality, we brought additional **manufacturers on board and enhanced our branding efforts**, further solidifying our presence in the market.

Today, our retail range boasts 31 SKUs, reflecting our ongoing growth and adaptation in the market. Each product in our range is crafted with the same passion and commitment to excellence that has made Spur Steak Ranches a beloved name in dining. As we continue to innovate and expand, we remain dedicated to delivering the authentic Spur experience to our customers, both in our restaurants and at home.

Spur Steak Ranches

Nothing brings people and families together like sharing a great meal in a warm and friendly environment. Generous portions, great service, and a friendly vibe where everyone is welcome; that is what Spur's about and that's what has made it South Africa's favourite family restaurant. There are over 300 restaurants across South Africa.

Since 1967 when the first Spur opened in Cape Town, Spur Steak Ranches have been part of the South African family. In the years since then, Spur has helped to create countless special memories and earned a reputation for tasty, nutritious, value-for-money meals.

The menu offers something for everyone – from the legendary steaks, ribs, and burgers, to their famous Cheddarmelt schnitzels, delicious desserts, and special Kids' Meals. Their weekday specials offer fantastic value-for-money deals, such as the Unreal Breakfast and Classic Cheese Burger Mondays.

Spur also prides itself as a restaurant for the whole family, catering for the needs of kids. This includes a full Kids' Menu, an exciting Kids' Play Area (modular play centres, air hockey and arcade games at selected restaurants), the Secret Tribe Loyalty Club, spectacular Kids' Birthday Parties (including a Birthday Party Combo Meal) and activity sheets– to keep the kids entertained for hours.
